

## DOG PARK MEETING NOTES: March 25, 2009

1) MTG NOTES: We had group meeting last Wednesday, the 25th. Here are some notes from that and some other recent updates.

- a) Letters have gone out to the local dog owners and we have already started to get returns from that. As of the meeting we had about \$1,400, Now we are close to \$1,600. We also have a small stack of letters that were returned to when we have the next large group meeting we should all look them over and see if we have any friends or neighbors in there and can hand deliver them.
- b) The dog walk and the horseshoe tournament are proceeding well. The horseshoe tournament is still in the planning stages for music and food, etc and will need some helping hands as the time gets closer.
- c) The comedy night is set for May 1st at Skyline and we have at least 40 tickets to sell at \$15 apiece.

2) COMMITTEE INFO:

- a) GERYL: How are things going with T-shirt -polo shirt info? The group at the meeting likes the idea of having polo type shirts for the "insiders" or something that distinguishes it from T shirts for those who want to come to the park.
- b) CHRISTINA or RON: How are the quotes coming for fencing?
- c) April has a contact that may be able to get us some mulch, but we will need to find out what size it should be ground to.
- d) ALL: We could use raffle items for the Comedy Night on May 1st - have a little table and sell some items for a little extra profit - see what you can come up with.
